

the DOUBLE DOME

Issued by the

MILWAUKEE ASTRONOMICAL SOCIETY

DECEMBER - 1971

DECEMBER GENERAL MEETING

Jupiter is a most interesting planet to observe for many reasons. Besides its many mysteries, it is girded by many moons, banded by ever-changing cloud belts, and mottled by red and white spots.

Many MAS members are aware that Mr. Phil Glaser was the ALPO Jupiter Recorder. Presently holding this position is Mr. Paul Mackel, who will be our guest speaker at the Dec. meeting.

Mr. Mackel has a B. A. in Sociology. He studied Jupiter observing under Mr. Glaser in 1962, assisted Dick Wend in 1967, and became Jupiter Recorder in 1969. He currently belongs to many astronomical organizations and has written many papers. One, entitled: "The (A.L.P.O.) Jupiter Section in the 1970s", will be presented at the Dec. meeting.

Plan to attend and bring a friend.

When: 17 Dec. 1971 8:00 p.m.

Where: Physics & Eng. Bldg. Room 137
Corner E. Kenwood & N. Cramer

BELATED SYMPATHY

The Society has just received word that Mr. James Krock has passed away last July.

Mr. Krock has been an MAS member since 1960 and has occasionally given papers at Regional Conventions.

The Society extends belated sympathy to his family.

NEW NON-RESIDENT BOUNDARIES PROPOSED

An MAS By-Law, Article 2, Section 1, in part, defines non-resident members as those who do not reside in Milwaukee or Waukesha Counties and who do not find it expedient to hold any other kind of membership. In view of the improved highway systems in and around the Milwaukee Area, the Board of Directors has proposed to change this By-Law to "Non-Resident members are those who do not reside within 30 miles of the observatory and do not find it expedient to hold any other type of membership". The observatory is located at 18850 Observatory Road, New Berlin.

This action will require a Constitution change and needs a majority vote of all members present at any regular meeting.

PAID UP MEMBERS PLEASE NOTE!

Members who have paid their dues prior to Dec. 6 and have not received a membership card should call Treas. Al Brouillette at 332-6623.

They're off the presses and will be available at the Dec. Business Meeting for \$1.60 per copy. Reserved copies have been set aside.
